MEMORANDUM FOR: Chairman, HUMINT
Chairman, SIGINT
Chairman, COMIREX
Vice Chairman, CIPC
Director, Program and Budget Staff
Director, Planning and Policy Staff

FROM: Eloise R. Page
Deputy Director, Intelligence Community Staff

SUBJECT: Senior Planning Conference

1. The Senior Planning Conference has been scheduled for 5-6 December at [redacted]. At this meeting, Community principals will identify the trends/developments that could force major changes in the pattern of Community resource allocation or responsibilities, and determine the actions necessary to formulate responses to these forces. Your attendance at the conference is in a support capacity only, and you should not need to participate unless requested to do so. [redacted]

2. A copy of the attached conference book has been provided to each conference participant. In it are the conference agenda (Tab A), the NIC's View of the Future (Tab B), the current DCI's Goals and Objectives (Tab C), and a list of relevant National Intelligence Estimates (Tab D). The View of the Future is presented to stimulate thinking about future national security concerns, and is not intended to be the subject of coordination. The DCI's Goals and Objectives were derived from the 1985 Intelligence Capabilities Study and reflect both near- and long-term concerns as of February 1982. The present set of goals and objectives should be considered open to revision, consolidation or deletion as appropriate. [redacted]

3. Each of the principals has been asked to identify and describe two or three issues of strategic significance to the Intelligence Community for incorporation into the final agenda. These, and any other last-minute conference materials, will be sent to all attendees for incorporation into their books. [redacted]
